Littleton High provided a lot for me as I move into the next stage of my life. As students, you must ignore meaningless accounts and focus on seeking a foundation worth something. I leave, telling those I know, to find out whats important to you in life; then work towards it with confidence and individualism. Im sad to be leaving you, but fate will sort everything into place. I will always remember you and the joy you brought into my life, hang in there.

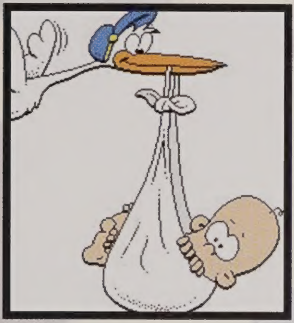
Thanks to everyone who made Littleton High School as enjoyable as it could be. To Kevin, keep your speech to yourself but if necessary use a microphone and have proper usage of the conversations. To Alli, just remember that its a close game and they can come back, and where do your balloons keep going? Dave, best manager ever, good times at Coopers, but be more careful when on your bike. Good bye Littleton High School, good bye forever.



Salvatore Ippolito

School-days, I believe, are the unhappiest in the whole span of human existence. They are full of dull, unintelligible tasks, new and unpleasant ordinances, brutal violations of common sense amd common decency. It doesn't take a reasonably bright boy long to discover that most of what is rammed into him is nonsense, and that no one really cares very much whether he learns it or not.

To All Littleton High School Student-Athletes,

As the 2006-2007 school year comes to a close, I'd like to take this opportunity to thank all of the LHS student-athletes, especially the graduates of the class of 2007, for a very successful year. Our Girls' Soccer, Field Hockey, Girls' Basketball, and Boys' Ice Hockey teams all qualified for the MIAA Tournament. This accomplishment can only be attributed to the commitment of our student-athletes and coaches.

Furthermore, our emphasis on academic achievement for all of our student-athletes makes our accomplishments even more significant. Learning is foremost. Through the experience of interscholastic competition, the athletic program at Littleton High School dynamically supports the academic mission of the school. Thus, participation in athletics provides opportunities for physical, mental, emotional, and social development.

To those graduating from LHS this spring, best wishes in whatever you have chosen as your career path. We are confident that your experience as a student-athlete at Littleton High School will help lead you to success in your future. Thank you for your commitment and dedication to the athletic program at Littleton High School. Go Tigers!

Sincerely,

Michael Lynn
